	T-Shirt Order – still need to organize a shirt order Will have a booth at Oak Street Alley, will unload all old merchandise to sell as much there as possible. Navy blue shirts for Joey’s design.
	Tom Decision – Scott motioned, Darin seconded, all approved to donate \$1000 to Tom’s estate. Confirming best way to give the money (check versus scholarship for his daughter, etc)
	ADU Overlay Project – in early talks right now. This would make it easier for folks to add an ADU to their property but it would have to be rented at affordable rates for five years. How should the CNA support this project and to what extent? The project is looking to conduct a study and wants to state they have the support of the CNA. Board feels the wording should be something like, “This study is being done with the assistance of the CNA.”
	Community Garden Update – one bed still needs to be painted and Becky is exploring irrigation or watering options. Becky will price out the irrigation. <ul style="list-style-type: none"> • Next HDR Grant Cycle begins in May. Becky will see if she can roll our garden expenses as well as the school’s expenses in to see if we can get reimbursed for that as well as pricing out some shade structure. • Old Community Garden owner is requesting we tear out old chicken coop and garden boxes to return the house to what it originally was.
	Dispatch – Do we want to put out another Dispatch?
